Dermaroller® Home Care Roller

Prolong and improve the results from your Dermaroller® Professional treatment. Use up to 3 times per week on your face, neck and décolletage for improved skin texture, collagen production, and hydration. The Beauty Mouse is a roller designed with more needles to treat larger areas of the body. Treat stretch marks, scars, and cellulite on your belly, back, thighs, and buttocks.

Dermaroller® Moisturizer ACE

This day cream locks in the skin's moisture by reducing water loss. With Vitamins A, C & E, it also promotes faster skin regeneration for a fresher, firmer and more luminous appearance.

Dermaroller® Hyal C Serum

This intensive serum is packed with hyaluronic acid and Vitamin C to leave your skin deeply hydrated, without being oily. Its active ingredients penetrate deeply into the skin after using your Dermaroller® Home Care roller to boost collagen production.

Dermaroller® Lipopeptide with Vitamin A

This night cream combines vitamins A & E, aloe leaf juice, and shea butter to reduce skin irritation and inflammation as it hydrates - perfect for after rolling treatments.

Dermaroller® CC Cream

This colour-correcting cream instantly blurs flaws and evens skin tones with colour-neutralizing shades. An exclusive snail filtrate stimulates elastin, protects skin from free radicals, and promotes healing.

Dermaroller® Hyaluronic Acid

Feel like you've just walked out of the clinic with this silky formula that moisturizes your skin and binds with water to aid in collagen production to keep skin resilient and younger looking.

Dermaroller® Skin Cleanser

This gentle cleanser was developed specifically for after roller treatments, when your skin is more sensitive with microscopic opens. It cleans the skin while enriching it with vitamins and antioxidants.

Dermaroller® Mask

This luxuriously moisturizing mask is made from silk sheets that steadily release a serum to nourish and rapidly rehydrate the skin after a Dermaroller® Professional treatment, as well as any laser, dermabrasion, or peel treatment.

Roller Cleaner

It's important to keep your Dermaroller® Home Care roller clean. This hygienic spray is 100% natural, paraben-free and not tested on animals.

Dermaroller® Home Care

Dermaroller® Home Care products are specially formulated to care for your skin between and after your professional Dermaroller® treatments. Maximize infusion of vitamins and minerals when you roll at home with the Dermaroller® Home Care Roller.

A.M. DAILY MORNING ROUTINE

- 1 Wash your skin with the Dermaroller® Skin Cleanser; gently pat dry
- 2 Apply Hyal C Serum; wait for absorption
- 3 Apply Moisturizer ACE; wait for absorption

For a light foundation look, we recommend the Dermaroller CC Cream. Reapply Moisturizer ACE throughout the day, as needed.

P.M. STANDARD EVENING ROUTINE

- 1 Wash your skin with the Dermaroller® Skin Cleanser; gently pat dry
- 2 Apply Hyal C Serum; wait for absorption
- 3 Apply Lipopeptide with Vitamin A; wait for absorption

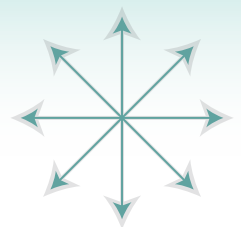

Dermaroller evening skin care products are designed to repair your skin while you sleep.

Roll at Home (every second evening)

The Roller Evening Routine replaces the Standard Evening Routine on the evenings that you use your Dermaroller® Home Care roller.

WHEN TO ROLL

- For best results, follow this routine every other evening. Do not roll every night.
- Refrain from using the Dermaroller® Home Care Roller for 5 days following a professional (in-clinic) Dermaroller® treatment.
- Stop using the Dermaroller® Home Care Roller 3 days before your next professional (in-clinic) Dermaroller® treatment.

ROLL SMALL SECTIONS AT A TIME, IN ALL DIRECTIONS

P.M. ROLLER EVENING ROUTINE

- 1 Wash your skin with the Dermaroller® Skin Cleanser, removing all make-up and any other products from the skin.
- 2 Roll desired areas following the rolling pattern. For hygienic reasons, never share your roller!
- 3 Apply Hyaluronic Acid on rolled areas; wait for absorption.
- 4 Apply Hyal C Serum; wait for absorption.
- 5 Apply Lipopeptide with Vitamin A; wait for absorption.
- 6 Rinse the roller with hot water and spray the entire roller surface area with roller cleaner.

Roll your way to younger looking skin

- ✓ Reduce wrinkles & fine lines
- ✓ Improve skin pigmentation & texture
- ✓ Smooth & plump crepey skin
- ✓ Diminish scars, acne marks & stretch marks

After Your Professional Treatments

- Avoid makeup for 24 hours. If you must use makeup within the first 24 hours, please only use a 100% pure mineral powder make-up.
- Use only Dermaroller® approved products to promote best results. Products not made by Dermaroller® may cause irritation
- Refrain from vigorous exercise for 24 hours and avoid direct sunlight, saunas, hot tubs and sun beds for at least 48 hours.
- Avoid touching your treated skin unnecessarily.

FAQ: Home Care vs. Professional

1) What is the Dermaroller® Home Care System?

The Home Care System uses the Home Care Roller and skin care products to complete the professional Dermaroller® treatment. The Home Care System increases absorption of the essential vitamins and minerals that allow effective healing of the skin's micro-injuries and generation of new, healthy skin cells and collagen.

2) What is the difference between the Dermaroller® Home Care Roller and the Dermaroller® Professional Treatment?

The professional treatment is a technique called Collagen Induction Therapy that triggers the body's natural healing process to develop new fresh and healthy skin. The Dermaroller® Home Care roller, increases infusion and strengthens the connective tissues within the skin.

3) Is the Dermaroller® Home Care System effective if I don't get a clinical treatment?

Yes. The Dermaroller® Home Care System increases the absorption of the vitamins and minerals that are essential for youthful and healthy-looking skin, strengthens the connective tissues and promotes anti-aging. Treatment with the Dermaroller® Home Care system is not CIT.

4) How do I get the best results?

For best results, have a series of Dermaroller® Professional treatments and follow up with the Dermaroller® Home Care System.
